

Call for Contributions to the FAW's Strategic Plan 2015-2020

Overview

The Football Association of Wales (FAW) is coming to the end of its current Strategic Plan which spans from 2010 through to the end of 2014 (please follow the link to view a copy of the current Plan - <http://www.faw.org.uk/uploads/flipbooks/strategy2012/#/1/>). The Strategic Plan is an important document as it sets out our vision and focus for the organisation and for football in Wales. With the current Strategic Plan nearing the end of its cycle, we have set the wheels in motion to start planning for the next strategic cycle.

We are therefore pleased to announce the launch of a public consultation process on the development of a new Strategic Plan for 2015-2020. It is vitally important to consider everyone's opinions, ideas and proposals on where the FAW should prioritize its efforts in the post-2015 era. This was a key stage in the development of the current Plan, after all.

Invitation to contribute

We strongly believe in the engagement of all stakeholders in the preparation of the FAW's 2015-2020 Strategic Plan and we encourage all interested parties to provide inputs via written contributions.

We welcome responses in English or Welsh from individuals, groups and organisations. Large print and Braille versions of this document are also available upon request.

Please note that submissions should be no longer than four sides of A4 and should include the Appendix 1 document below. Submissions should arrive to either of the following addresses by 11 July 2014.

Please write to:
